10. **Period of contract:** The agreement starts by signing of the contract with the successful tenderer and ends when all the products mentioned in the document are delivered, in accordance with the terms and conditions agreed between the parties.
11. **Period of validity of the offers:** minimum 30 calendar days
12. **Deadline for submitting the tenders:**

The notice – invitation of participation to bidding procedure is valid for 8 calendar days from the date of publication / transmission, between **September 14 – 21st, 2018** respectively.

The first day for submitting and registering documentation is **September 14, 2018**, starting at 09:00.

The last day for submitting and registering documentation is **September 21, 2018**, until 19:00.

The offers will be opened and evaluated between *September 24 - 25, 2018* starting at 09:00 a.m. at the registered office of the beneficiary Domeniul Bogdan S.A. in Bucharest, Grigore Mora street, no 13, district 1.

Within a maximum 5 calendar days from awarding of the winning bids, all tenderers participating in the procedure will be informed in writing of the outcome of the evaluation.

In case of appeals, they will be settled within 24 hours of receipt.

13. **Methods submitting the tenders:**

By submitting the tender, it is mandatory for each tenderer to send the following documents, in original:

- ***Cover letter*** to DOMENIUL BOGDAN S.A., with a clear mention of which batch of products the documentation is addressed (Appendix no 2);
- ***Statement on your own responsibility*** which mention that the bidder is not in any of the situations described in article 14 of EGO no. 66/2011 on conflict of interest (Appendix no 3);
- ***Trade Register excerpt in original*** issued by the National Office of Registry and Commerce showing the composition of the bidder's shareholding and object of activity, or the equivalent of this document in the case of the participation of the bidders abroad. The bidders's main or secondary object of activity must contain at least one of the following CAEN codes:

2529 - Production of tanks, tanks and metal containers

2893 - Manufacture of machinery for the processing of food, beverages and tobacco

2813 - Manufacture of pumps and compressors

2829 - Manufacture of other general-purpose machinery nec.

2651 - Manufacture of instruments and appliances for measuring, checking, controlling, navigating

4618 - Agents involved in the sale of specific products n.c.a.

4619 - Agents involved in the sale of other goods

4669 - Wholesale of other machinery and equipment

4690 - Non-specialized wholesale

or the equivalent of such codes in the case of participation in the procedure of foreign bidders.

- ***The actual offer*** that includes the technical and financial proposal;

The documentation will be composed of 2 parts:

a. **Cover letter;**

b. **A closed, signed and stamped envelope** in which **the actual offer, the Trade Register excerpt** (or equivalent) and **the statement on your own responsibility on the conflict of interest** must be entered to;

On the closed, signed and stamped envelope shall be written the following: *the name of the bidder, the name of the beneficiary, the name of the investment project for which the tender is to be submitted, the batch number of the products and the statement "Do not open before September 24, 2018, 09:00 a.m."*

The cover letter and *the closed envelope* will be sent to the beneficiary in a different envelope to be opened in order to register the cover letter and give the entry number of the documentation to Domeniul Bogdan S.A. Entry/Exist Register.

Mention in the cover letter of the total value of the offer, the details or characteristics of the products offered and other information considered confidential will entail removal of the bidder from the competitive procedure and rejection of the offer as non-compliant.

It is mandatory that the object of the contract to be mentioned in the bidder's Trade Register excerpt (or equivalent) in order to be eligible to the bidding procedure.

One tenderer can bid for as many batches of products as he wants, requesting tender books for each one. If the same tenderer wants to submit bids for multiple batches of products, he must send individual documentation for each batch (see above). In this case, the sealed and stamped envelopes can be inserted into the same general envelope that will be opened at the destination, along with each specific cover letter. The lack of any of the above mentioned documents leads to the removal of the tenderer from the competitive procedure and his offer will no longer be taken into consideration.

14. **How to obtain the documentation award:**

The tenderer can request the Documentation Award in a written e-mail, contacting the e-mail address of the contact person, with a clear indication of the name of the batch for which he wishes to submit an offer. Within maximum 12 hours the contact person from the beneficiary Domeniul Bogdan S.A. will send the specific Award Documentation in .PDF format via e-mail.

In case the beneficiary Domeniul Bogdan S.A. invites potential bidders from the specific fields of activity to participate in the competitive procedure, they will receive the Award Documentation along with the invitation to participate, by e-mail.

If only one offer is received for an individual batch, the current competitive bidding procedure must be organized again.

15. **Submitting the offers:**

The Documentation for registration in the competitive bidding procedure must be sent via **Romanian mail post, private courier company or personally delivered by a bidder's representative** to the headquarters of **DOMENIUL BOGDAN S.A.** from **Bucharest, Grigore Mora street, no 13, ground floor, district 1, Zip Code 011885, Romania.**
